Mr. Cum Posey,
324 - 13th Ave.,
Homestead, Pa.

Dear Posey:

Your letter of the 19th just received. I will write Mr. Rigney now asking about the franchise fee, and add my assurance to yours that he will have the pick of the Crawford players.

Abe wrote me from Florida that Bassett was with Chicago, I am sure they will not have any trouble getting him.

Major Jackson was defeated this year for Alderman the first time in 20 years, and he will no doubt be very anxious to assist the baseball in getting well organized, as he has no other job.

The papers in Newark are: Newark Herald, 130 West Kinney St., and N. J. Guardian, 129 West Market St., I have a man here taking care of publicity for the Eagles, his name is Mr. Jerry Kessler, University of Newark, Rector St., Newark, N. J., you can send him any League news of interest.

Yours very truly,
